Statement

For Tax reporting purposes, donors who utilize this giving option are technically “giving” to MBF with instruction to pass on to your church. As a result, MBF will transmit an electronic receipt to the donor and provide an end of year contribution statement to each donor.

The gifts received from MBF should not count as gifts from the individual.

MBF is not charging fees but standard transaction fees of 2.69% + \$0.30 for credit/debit card and \$0.30 per echeck do apply.
