

# MBF NEWS

Missouri Baptist Foundation July 2020

I was never a cowboy fan. But I was a Dallas Cowboys fan and have since converted to a Chiefs fan as they can win a playoff game no matter how many points behind. I was referring to a Wild West kind of Cowboy fan. I was always much more Buzz Lightyear than Woody's roundup.

My boys have followed, and we love to watch the SpaceX rocket launches online. We even witnessed in person a Falcon 9 rocket launch. The rocket creates a force similar to the power of four 747s strapped together operating at full thrust.

While I wish we could add that kind of value to your investments, I know a God who took a couple fish and a few loaves and fed thousands.

So when you give what you have, God supercharges it, and lives are rocketed to another world.

Thanks for your partnership!

Neil Franks, President

## Need a Will?

**Family is the reason you are building an estate plan. To provide help and guidance and direction, not to rule their life forever, but for a season.**

**To provide a way forward, to protect those who offer unwarranted advice. Your careful planning and effort now will provide the comfort and presence of your love later.**

**Take the opportunity during your estate planning to leave a gift at your passing to the ministries your supporting during life.**
