## KINGDOM FUND

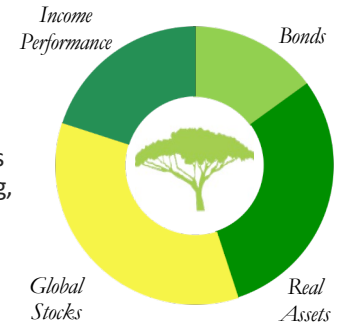

*"The kingdom of heaven is like a mustard seed...Though it is the smallest of all seeds, yet when it grows, it is the largest of garden plants..."* MATTHEW 13:31-32 NIV

### PURPOSE

The Kingdom Fund is designed to produce long-term growth over multiple years and changing market cycles. This strategy desires to outperform annual spending requirements, annual inflation and fees associated with investing, while managing strategic risk. This portfolio invests in stocks, bonds, real assets and alternatives.

### WHO SHOULD INVEST?

Investors who are tolerant of market volatility. This is an excellent fit for endowed and long-term funds.

## HARVEST FUND

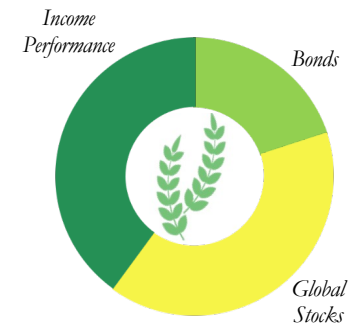

*"They sowed fields and planted vineyards that yielded a fruitful harvest."* PSALM 107:37 NIV

### PURPOSE

The Harvest Fund is designed to produce growth of principal while generating income. This diversified portfolio invests in stocks, bonds and high-quality income producing investments.

### WHO SHOULD INVEST?

Investors who are tolerant of some market volatility. This is an excellent fit for ministry investments focused on future planning.

## STOREHOUSE FUND

*"Bring the whole tithe into the storehouse, that there may be food in my house."* MALACHI 3:10 NIV

### PURPOSE

The Storehouse Fund is designed to produce growth through short-term investing cycles. This strategy desires to outperform traditional money market funds and short-term CDs. This portfolio invests in bonds, real assets, and other high-quality fixed instruments.

### WHO SHOULD INVEST?

Investors focused on short-term reserve needs and a low tolerance for risk. This portfolio invests in real assets, bonds and other high-quality fixed instruments.
